Welwyn ERSA 22nd May 2011

A new season, a new sponsor and so many racers!

172 entrants for the first race of the season seemed like a daunting task, but apart from a few hiccups the race was run professionally and smoothly by the officials. Even the toilet facilities seem to cope.....just!

With so many racers the only way to win a category was to shine brighter than the competition and that's certainly what Michael Molloy did. He made getting under 9s look easy...maybe for him it is!

There were also a number of new racers some of which are below. From a club perspective Norfolk romped it but they certainly didn't have it all their own way, maybe the lime green hoodies were too distracting for the other racers?

Chairman's Comments

All Vikings who attended represented the club brilliantly on Sunday. Some achieved well earned placings and all did their very best. All should be very proud of their efforts. Vikings participating in the regional summer league races is the aim of club and all who put effort into it and so let's see as many as possible at these races. Sir Rolf.
